Office of the President
of the District Fund Board
of the Bangalore District
Bangalore 30th August 1900.-

To,

The Secretary
to the Government of Mysore
General and Revenue Departments

I beg to state that the Government
sanctioned in their Proceedings No. 7807 & Nos. 1764
dated the 4th January 1899, 2 estimates for
Rs. 205 and 285 for earth work to be done
the Chamberahalli and Dommasandra
odagi tanks, respectively, in the Dod Kal
luk for the relief of the weavers of the
Dommasandra village as they were "
helpless on account of the Bubonic Plague. The
Chamberahalli tank work was not "
started at all, and out of Rs. 285, sanctioned
the Dommasandra tank, only Rs. 217-10-2

were spent during the year 1898-99
the balance of Rs 67-5-10 for this tank and
Rs. 205 sanctioned for Chambenahalli tank
lapsed at the end of 1898-9, Government re-
sanctioned the reappropriation of this
amount for 1899-1900 (vide Government
Proceedings No. 9192-3 dated the 12th
February 1900). But no portion of the work
was done during 1899-1900, as plague had
disappeared and there was no necessity for
works of relief, and the grant therefor
again lapsed. The Amildar of Anekal now
reports (in No. 127 dated the 18th August 1900) re-
that Plague has again broken out in
Doummasandra village, and solicits early
orders for reappropriating the lapsed amounts
for the current year and for starting the works
in order to provide some work for the
weavers and other poor classes of that place
who have evacuated the village and are
living in sheds outside the village. The
Divisional Asstt Commissioner recommends
the Amildars proposal

Why then applys
When there was
no necessity?

Under the above circumstances
I have ordered that both the tank
works may be taken on hand, in
anticipation of Government sanction,
and beg that you will be so —
good as to obtain the early sanction
of Government for the reappropriation
of the grant.

I have the honor to be
Sir
Your most obedient servant

President
